Gaming Equipment Policy

1. Students must check out gaming equipment at the Info Center desk.
The Process for Signing Out Equipment:
 - When students sign in, they are required to show their BSU Connect Card. Attendant holds for duration.
 - Write their full name
 - The date
 - The game and equipment they are using
 - Time taken
 - Time returned
 - The attendant then signs their own initials and what shift they are working.
2. You must be a current BSU student to access equipment.
3. Gaming equipment is only available during Info Center hours and while an Info Center Attendant is present.
4. Students are given a two hour limit to using the gaming equipment if there are other people waiting to play. If there is no one else waiting to use the gaming equipment, then they may continue playing for longer than two hours.
5. The equipment is stored behind the Info Center desk and is given to students when they sign in. Equipment includes: video games and controllers.
6. Student is responsible for flagrant destruction of gaming equipment. You will be responsible for replacement fees used to purchase new equipment. For further information on replacement fees please ask the Info Center Attendant for a complete list.
