ABOUT THE L.I.N.K.S. PROGRAM

The L.I.N.K.S. Program is a retention and mentoring initiative committed to helping first-year students of color to successfully transition into the college culture.

The L.I.N.K.S. program assists first-year students in learning to manage the rigorous academic and social demands of Bridgewater State College.

L.I.N.K.S. participants are partnered with an upper-class student who serves as a mentor and role model.

Mentors assist first-year students with helping them get involved in the campus community, student organizations and connecting them with campus resources.
